

# A Touch Of Forever® Combo Pak

Item# 001E

A Touch of Forever® Combo Pak offers an ideal introduction to the scope of our product line. You'll get a great mix of personal care products as well as nutritionals for an incredible variety at a great value.

## Description

There's a lot to think about when it comes to starting a business and our Touch of Forever® Combo Pak is designed to provide you with everything you need to get going in one box.

You'll get a great mix of personal care products as well as nutritionals for an incredible variety at a great value. You can use the products, sell them or host a presentation for potential team members. Touch of Forever® gives you all the tools to showcase the best of Forever across all our product lines.

In addition to the amazing variety of products included with this pak, you'll also get a pack of 10 product brochures, a retail invoice book, a pack of 25 Why Forever brochures, 10 aloe brochures and a First Steps to Manager guide to put you on the path toward achieving your business goals.
