

Forever Bright[®] Toothgel

Aloe vera has long been treasured for its quality and versatility - including dental care. Your teeth will gleam with Forever Bright, one of the best toothgels on the market.

Formulated for the entire family to use, Forever Bright contains only the highest quality ingredients. It is also suitable for vegetarians since it contains no animal by-products. Natural peppermint and spearmint flavorings leave your mouth feeling fresh and clean. The combination of stabilized aloe vera gel and bee propolis soothes gums and mouth linings, and can be applied directly when brushing is too painful.

Years of research, development and collaboration with scholars and dentists has provided Forever Living with the optimum formula for effective cleaning. The result is an aloe-based formula that keeps breath fresh and whitens without bleaching. Your family will love the flavor and the clean mouth-feel.

Note: This product does not contain fluoride.
