

Forever Pro 6®

Forever Pro 6 is a blend of six vitamins, minerals and herbs to help support male prostate health. The prostate is a walnut-sized gland located just under the bladder. Many men over the age of 40 have been shown to benefit from nutritional support for the prostate.

Saw Palmetto and Pygeum Extract contain essential fatty acids and sterols for prostate support. Vitamin E, Selenium and Lycopene are powerful antioxidants that help to maintain proper prostate function by counteracting the damaging effects of free radicals in the cell tissues. Beta Sitosterol, in addition to enhancing prostate health, has been shown to help support healthy cholesterol levels as well.

By tapping into the power of these beneficial ingredients and concentrating them into an easy-to-take tablet supplement, Forever Living Products has created one of the most powerful nutritional supplements for men's prostate health on the market today!

CONTENTS

90 tablets

DIRECTIONS

Three tablets daily as a dietary supplement.
