Springtime 203

Sonya® Eyeshadow Trios

Uncover the secrets to perfect beauty with Sonya Eyeshadow Trios. The shimmery formulas with added aloe vera reflect the most current trends in fashion. A versatile range of colours can be used to shade, shadow, and define – creating any look you desire.

Two perfect combinations make looking beautiful as easy as 1, 2, 3, and may be used dry for a soft look or with a touch of water for increased intensity or lining the eyes. Combine colours from each Trio to create your own unique combinations. Many looks are possible - it's all in your imagination!

SEDONA TRIO 204

Use your imagination to create the perfect look with these three complimenting shades. A beautiful arrangement of Plum, Light Blue, and Taupe creates the ultimate look. Apply Taupe on eyelids as a base colour or on brow bone to brighten up the eyes. Light Blue may be worn as a base colour or as eyeliner. Plum adds depth to your eyes when applied in the crease or adds further definition when applied as eyeliner.

SPRINGTIME TRIO 203

These three irresistible shades work with every eye colour. Shimmer Yellow may be worn as a highlighter on the lid and brow bone to brighten up the eyes. Apply Frosted Pink on eyelids as a base colour, a perfect shade for when the sun is shining. Use Soft Green to add depth to your eyes when used in the crease area. May also be used as eyeliner for defined eyes.
